SUBJECT-PHYSICAL EDUCATION

Grade 5: Lesson Plans & Learning Outcomes		
Lesson	Name	Learning Outcomes
S5.1	Know the Props - 1	Students are exposed to various props and taught usage of various props. Multiple stations are made with age specific props and equipment for specific skills. These skills are a mix of fundamental skills and sports skills.
S5.2	Touch Rugby: Running passes	It is a simple but elegant game which requires minimal equipment. A Rugby and a ground is all you need to start the game. The touch variation of the original rugby makes it a very safe game to play for children.
S5.3	Ultimate frisbee – Throw and catch	In ultimate frisbee the team moves forward by passing (throwing) the frisbee to team mates. Players are not allowed to run with the frisbee. Children learn and practise the correct techniques of throwing and catching.
S5.4	Ultimate Frisbee – Game	Ultimate frisbee is an upcoming game and gaining popularity very fast. Boys and girls play together in a team. One has to get the frisbee to the opponent's end zone by advancing as a team by throwing and catching the frisbee. There are no referees. Players judge and call their own fouls and resolve their own disputes.

S5.5	Co-operative Games For Fitness - 1	Cooperative games are fun games where groups of players play in team set-ups. These games enable competition between teams. In these cooperative games our focus is agility, strength, balance and flexibility.
S5.6	Football: Passing and Receiving	To learn passing and receiving skills in football.
S5.7	Football: Dribbling with inside and outside	To learn the ball control and dribbling with the inside and outside of the foot.
S5.8	Football: Shooting at the goal	To learn the kicking and shooting with the instep towards the goal post with the goal keeper
S5.9	Football: The Match Day (Micro event)	To showcase skill, team work and sports etiquette
S5.10	Cooperative Games for Fitness - 2	Cooperative games are fun games where groups of players play in team set-ups. These games enable competition between teams. In these cooperative games our focus is agility, strength, balance and flexibility.
S5.11	Kho-Kho: Take off and Run	To introduce students the basics of take-off and run in Kho-Kho.
S5.12	Kho-Kho: Dodging	To introduce students to the basics of dodging in Kho-Kho.
S5.13	Kho-Kho: Chasing and Lane Rules	To introduce students to the basics of chasing and lane rules in Kho-Kho.

S5.14	Kho-Kho: The Match Day (Micro event)	To showcase skill, team work and sports etiquette
S5.15	Cooperative Games for Fitness - 3	To introduce various cooperative games which will help children prepare for specific fitness components namely agility, strength, balance and flexibility. Cooperative games are fun games where groups of players play in team set-ups.
S5.16	Track & Field: Long Distance Running	Introduction of long distance running through relay races. Running short and long distance require different techniques along with it. It is important for children to learn the difference between the two.
S5.17	Track & Field: Tripple Jump	To introduce students the basics of tripple Jump.
S5.18	Track & Field: Throwing	To introduce students the basics of Javelin Throw.
S5.19	Basketball: Ball handling and dribbling	To familiarize students with the weight, feel and bounce of a basketball
S5.20	Basketball: Passing - chest, bounce, overhead	To learn chest pass, bounce pass, overhead pass and receiving in basketball
S5.21	Basketball: Shooting – Jump shot	To learn the shooting skills in basketball.
S5.22	Basketball: The Match Day (Micro event)	To showcase skill, team work and sports etiquette

S5.23	Co-operative Games For Fitness - 4	To introduce various cooperative games which will help children prepare for specific fitness components namely agility, strength, balance and flexibility. Cooperative games are fun games where groups of players play in team set-ups.
S5.24	Handball: Over-arm one hand Pass	To practise over-arm one hand passing in handball
S5.25	Handball: Dribbling	To learn and practise advance dribbling skills in handball
S5.26	Handball: Shooting – Jump shot	To learn and practise shooting at the goal with the jump shot in Handball
S5.27	Handball: The Match Day (Micro event)	To showcase skill, team work and sports etiquette
S5.28	Cooperative Games for Fitness - 5	To introduce various cooperative games which will help children prepare for specific fitness components namely agility, strength, balance and flexibility. Cooperative games are fun games where groups of players play in team set-ups.
S5.29	Cricket: Batting – Types of shots	To learn on drive, off drive, pull shot, forward drive shots in batting

S5.30	Cricket: Bowling at different levels	To learn bowling in different line and length in cricket.
S5.31	Cricket: Fielding – Throwing and Catching	To practise throwing and catching at different levels
S5.32	March Past	March past teaches coordination, teamwork and discipline. In addition to these it also improves the posture. Marching postures exaggerate the walking postures thereby helping them correct wrong postures.
